THE LEACOCK FOUNDATION SEEKS STAFF FOR THE FALL OF 2018

The Leacock Foundation enables and supports youth to develop skills, competencies, and confidence through: educational enrichment, leadership initiatives, and connections and partnerships.

Each day Leacock programs inspire youth, in Canada and South Africa, to overcome barriers, unlock their potential and contribute to their communities. We support children who are born into challenging economic circumstances by providing a fully-subsidized platform for literacy of literacy and leadership programs. These programs ignite, accelerate and provide a bridge to academic and personal success.

We are looking for Directors, Teachers, Recreational Instructors, and Volunteers to join us for our Saturday Club serving Grades 1 to 6.
